Gannon is starting to take over for Donberger at the legion/fish fry.

One vendor has paid – The methodist church, but they need to still fill out the Application and waiver. Buzzard will drop it off to them tomorrow morning and have them bring it back to the office.

All vendor spots are FCFS, however we are reserving 2 on the field for the caramel corn and mini donuts. They are reserved because they are vendors like the carnival. They need power like the carnival, and we will hook them into that set-up.

Woods has Logan Allen lined up for Friday night, we are still waiting to find out about Saturday night.

Bags tournament on Friday and should be (planned to be) bigger than last year (2023). Last year was a great turn out, so here is to hoping!

We are spreading out the carnival, and the carnival said they are bringing more rides.

We are going over the carnival contract.

Arm band presales. \$22 is pre-sale. \$25 day of thurs/fri. \$30 sat. times for arm band is 6-10.

Carnival wouldn't budge on times. We need to make that clear on our end. Last year we didn't know that. We will sell pre-sale bands at the village office, and a few nights at legion.

Tractor pull if no rain.

Parade – same time as last year. Ashley will update forms.

We need to get porta potties. And lights. We will try to get them donated.

Tracy Trotter from Wyldewood cellars might do a 5k. She usually does one every year.

Checking with Jeremy Yonka about Pickleball (tournament).

Ask Women's club about Mutt show and Bingo- Mike.
