Now that we have a final total since last year's festival is over, the old bank account will be closed out and we will transfer funds to our Village account.

We are working on sunbelt rentals for lights. We are trying to get them donated, but its looking like we must pay for them.

Weather permitting, we will have FFA kiddie tractor pull.

We will have a mini donut trailer, and a kettle corn trailer. We are waiting on an official response from the kettle corn to confirm.

This will be the 2nd year for the fireworks contract. Village just got the insurance paperwork. Will be filling that out to send back.

Went over the potential schedule and if we need to call anyone.

Went over food vendors and who has already been given their applications.

Adjourned 6:50pm
